2. Event Details

The 2021 South Australian Long Course Age Swimming Championships (*State Age*) is one of three flagship events on the SwimmingSA calendar. This event will showcase our state's best and emerging talent, with the event to be held at South Australia's premier aquatic venue, the SA Aquatic and Leisure Centre over three days. It is expected that 700+ athletes will compete at this event from regional South Australia as well as interstate visitors.

3. National Age Challenge

The Challenge, which is designed for girls and boys (11-14 years old), is an exciting and fresh concept that will encourage swimmers and their coaches to prepare for meaningful competition at the conclusion of the long course season and will be used as a steppingstone in their journey in the sport. Recognising the change in national age bands throughout the swimming program, the State Based National Age Challenge gives younger swimmers who are not yet eligible to compete at Age Championships the opportunity to compete at state competitions and acquire a national virtual ranking in events – allowing them to see where they're positioned against competitors from around the country. Following the conclusion of all seven meets, Swimming Australia will create a national ranking which will be recognised and celebrated on Swimming Australia's website.

4. Program of Events

This is a championship meet under the performance strand of the South Australian competition structure. The 2021 State Age Championships is a combination of timed finals and heat/final events for swimmers aged 10yrs – 18yrs. [Click Here](#) for the event listing and qualifying times.
