

EVENT NOTICE

2025 SOUTH AUSTRALIAN AGE CHAMPIONSHIPS

We'd like to update you on some changes to the 2025 SA Age Championships due to ongoing refurbishment at the SA Aquatic & Leisure Centre. The works currently in progress include filtration upgrades, liner repairs, general enhancements, dive tower refurbishment, and improvements to pool accessibility and safety, all of which are affecting the dive/water polo pool. While we are working closely with the Office for Recreation, Sport and Racing and the SA Aquatic & Leisure Centre to minimise disruption, project delays mean the dive/water polo pool is now expected to remain closed into March. Unfortunately, this impacts our ability to deliver the 2025 SA Age Championships as originally planned.

To ensure the event can still go ahead safely and in the best possible environment for competitors, SwimmingSA has made several adjustments to the format and schedule.

What's changing?

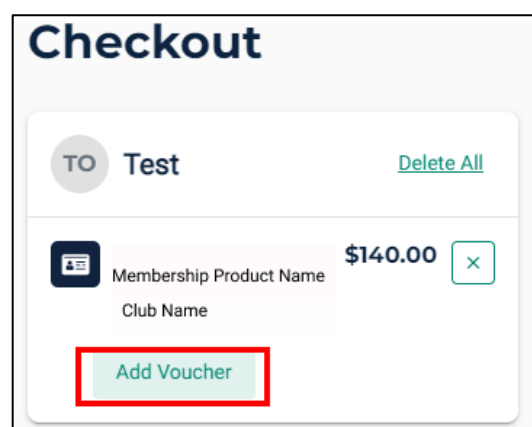

- **Five-day event:** the championships will now run from Thursday, 6th to Monday, 10th March.
- **Updated program:** check the revised program of event for the new competition schedule.
- **Extra warm up time:** each heats and finals session will now have a 40min break for warm-up in the competition pool.
- **Warm-up & cool-down access:** the 25m program pool in the leisure area will be open during racing for circle swimming.
