SwimmingSA Fee's

POLICY No: 6010

UPDATED: December 2016

The purpose of this document is to provide information on the Fee's Charged at SwimmingSA:

THE POLICY

SwimmingSA Charges fee's for many of the services we provide our members to (a) pay for current expenses, (b) provide services to members and (c) ensure the sport remains sustainable into the future.

A list of fees and charges is published annually on the SwimmingSA website:

<https://sa.swimming.org.au/page.php?id=114> or at the time of provision of any other service.

Card Payment Fees are charged on all transactions processed through Clublane or Mylane.

For Membership Renewals: There are two fee's charged for a membership renewal.

- Merchant Fee: 1.5% of total invoice
- System Maintenance Fee: 2.5% of total invoice

For Event Entries: There is one fee charged for each event entry

- Merchant Fee: 1.5% of total invoice

Any fee charged on a payment through Clublane or Mylane is reflected at the bottom of your invoice. All your recent invoices are available under your Clublane or Mylane profile (see invoice tab).

Recently, the Reserve Bank of Australia (RBA) released regulatory changes associated with card payment fees. In line with the RBA's requirements, we will be reviewing the percentage charged on card payment fees for transactions. Any required changes will take effect for transactions made on and after 1 September 2017 in line with the RBA's Implementation plan.

Adoption of Strategies

The CEO will ensure members are aware of this policy through publication on the website and in the member terms and conditions.

This Policy has been prepared without taking into account your objectives, financial situation or needs and you should consider the appropriateness of the information in this webpage having regard to those matters. A Membership Terms and Conditions is available via your membership renewal portal and sa.swimming.org.au. A person should obtain and consider the Membership Terms and Conditions before making any decisions about whether to acquire the product or services.
