Chairman and Chief Executive Officers Report

Welcome, and again we take this opportunity to sincerely thank our Swimming Community - the athletes, coaches, parents, officials and volunteers at swimming clubs in South Australia. In particular the volunteers whose tireless efforts do not go unnoticed. You are valued and irreplaceable members of the swimming community. The cornerstone to the success of our sport is the community we build together and thanks to the contribution of the broader swimming family the 2015-16 year has been a hectic year of activity in SA and we have enjoyed success in and out of the water.

Again, our year kicked off with a bang at the 2015 SC Championships in July when we repeated the successful 2014 Championship format and exciting Relay Day activities. We saw improvement in both participation numbers and performance level of SA swimmers at both the State Long Course and Country Championships in January 2016. There were also over 50 records established during the Championship Meets.

South Australia performed well at the 2016 Australian Age & Open Championships and we hosted the very successful Olympic Trials in Adelaide in April 2016. Congratulations to Kyle Chalmers and Josh Palmer who were selected for the Australian Olympic Team and represented SA with pride and distinction. Kyle made history by becoming the Olympic Champion in the men's 100 freestyle, a feat not achieved by an Australian athlete since Michael Wenden in 1968. Josh's selection and performance in Rio ensured he will wear the title of Olympian for life. Jesse Aungles and Liam Bekric earned selection to the Australian Paralympic Team and performed well in the ensuing competition. The SA Swimming Community also contributed to the Paralympic Swim Team with the selection of three staff members –Michelle Doyle (Team Manager), Jennie Phillips-Hughes (Carer) and David Spurrier (Physio) all who received glowing reports of their performance at the event.

London Olympian, Sally Hunter announced her retirement after a stellar career as an athlete. She has been appointed to the Swimming SA Board and brings her experiences as an elite athlete to the Board table. Sally joins Olympians Phil Rogers and Neil Martin on our Board. How many sporting organizations can claim three Olympians on their governing body?

Out of the water, SwimmingSA continued its governance review with the aim to ensure the sport is sustainable to progress successfully into the future. Good governance practices are essential for our organisation to function effectively. SwimmingSA is committed to ensure best practice governance for the sport and with the assistance of the Office for Recreation and Sport, the Board continues to develop and pursue a philosophy of good governance and continuous improvement.

Progress has been evident across many areas of the organisation and together with our fellow State Associations and Swimming Australia, we have begun the process of invigorating the organised participation area. It is vital that we get it right and continue to strengthen the base of our sport – the people! SwimmingSA made two new staff appointments during the year to assist in the club area – Tanya Matic (Membership Officer) and Daniel Lawlor (Club Development Officer) and believe this has been of great value to the districts and clubs. One of the many activities conducted by Dan and the SwimmingSA Directors during the year was the visits to clubs – the directors were encouraged to see first hand the continued volunteer dedication at clubs and we hope to receive more reports of club activities and visit clubs in the coming year. Remember if your club wants or needs assistance – chat to Dan or Tanya!

In partnership with Swimming Australia and the South Australian Sports Institute SwimmingSA continued the employment of Leigh Nugent as the Mentor Coach and we are progressing a review of this program and maintain enthusiasm for reinvigorating this partnership for the new quadrennium through to 2020 in the coming months. Along with the new quadrennium comes a review for SwimmingSA of our strategic plan – a major activity that will be undertaken in 2016-17 we look forward to input from our members in the development of the 2020 plan.

As we continue to recognise the importance of People to this great sport - Thank you to our directors, officers, staff and committee members for their continued efforts and commitment to swimming in South Australia over the 2015-2016 period. As custodians of the number #1 Olympic and Paralympic sport in South Australia we recognise there are many people who make our sport so successful from learn to swim to elite competition and it is virtually impossible to thank you all in this reflection however we take this opportunity to single out one member – Sue Edwards who retired from the SwimmingSA Board this year after 8years of service. For those of you who do not know Sue, she has been instrumental in the Country region with her role as chair of the revitalised country committee, has been seen on pool deck as an official at numerous meets and has dedicated her time to strengthening the sport – we hope you enjoy your retirement Sue.

Finally in closing SwimmingSA thanks our key partners Swimming Australia, Office for Recreation and Sport, SASI and SAALC for their ongoing support and we look forward to an exciting period ahead with the recently launched partnership with Optus and their association with the Optus Junior Dolphins Program. The significant sponsorship investment being negotiated by Swimming Australia with Optus is very promising and will provide many grass roots activities in the years to come – Thanks and Welcome to the sport Optus.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2016

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act South Australia. The committee has determined that the association is not a reporting entity.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

a. Income Tax

No provisions for income tax has been raised as the entity is exempt from income tax under Div 56 of the Income Tax Assessment Act 1997.

b. Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

c. Impairment of Assets

At the end of each reporting period, the committee reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

d. Employee Provisions

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

e. Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

f. Cash on Hand

Cash on hand includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

g. Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

h. Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

Swimming SA Incorporated

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2016

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

i. Leases

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

j. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

k. Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

DECLARATION BY MEMBERS OF THE BOARD FOR THE YEAR ENDED 30 JUNE 2016

The Board has determined that the association is not reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

The board declares that the financial report as set out on pages two to six:

- Presents a true and fair view of the financial position of Swimming SA Incorporated as at 30 June 2016 and its performance for the year ended on that date in accordance with the accounting policies described in Note 1 of the financial statements: and
- At the date of this declaration, there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.

This declaration is made in accordance with a resolution of the Board and is signed for and on behalf of the Board by:

Board Member

P.A. GRAHAM

Board Member

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
SWIMMING SA INCORPORATED**

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of Swimming SA Incorporated (the association) which comprises the assets and liabilities statement as at 30 June 2016 and the income and expenditure statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the declaration by members of the board.

Board's Responsibility for the Financial Report

The board of Swimming SA Incorporated is responsible for the preparation and fair presentation of the financial report and has determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act (SA) and is appropriate to meet the needs of the members. The board's responsibility also includes such internal control as the board determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the board, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
SWIMMING SA INCORPORATED

Basis for Qualified Auditor's Opinion

1. The audit report for the year ended 30 June 2015 was qualified. Accordingly, the comparative financial information and opening retained surplus amount carried forward should be read in conjunction with the 30 June 2015 audit report.
2. Given the nature of the association's operations, established controls over income, including inter alia events and contributions, prior to the entry into the financial records are limited. Accordingly, our audit procedures with respect to income, including inter alia events and contributions, were restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion as to the completeness of income recorded.

Qualified Auditor's Opinion

In our opinion, except for the effect, if any, of the matters described above, the financial report presents fairly, in all material respects, the financial position of the Swimming SA Incorporated as at 30 June 2016 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of the Associations Incorporation Act (SA).

Basis of Accounting and restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 of the financial statements which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of the Associations Incorporation Act (SA). As a result, the financial report may not be suitable for another purpose.

Launched on January 25th 2008, the SwimmingSA Hall of Fame had 19 inaugural inductee. The Hall of Fame recognises South Australian elite swimmers who have represented Australia at the Olympic or Commonwealth Games.

DENISE NORTON

Our first inductee Denise Norton represented Australia in the 1952 Helsinki Olympics and the 1950 British Empire Games and was South Australia's first ever representative at an Olympic or Commonwealth Games. During her career Denise broke numerous Australian records.

MARGARET GIBSON

Margaret Gibson represented Australia at the 1956 Melbourne Olympics and was part of the Gold medal winning 4x100m Freestyle relay team.

MURRAY GARRETTY †

Murray represented Australia at the 1956 Melbourne Olympics where he finished fourth in the 1500m Freestyle he was also a member of the 4x200m Freestyle relay which won a Gold medal. Sadly Murray passed away in May 1981, aged 42.

DAWN FRASER

After making Adelaide her home, Dawn Fraser represented Australia at the 1956 Melbourne Olympics winning 2 Gold and 1 Silver medal. In 1960 in Rome, Dawn again won 1 Gold and 1 Silver medal. At her third Olympic Games in Tokyo in 1964 she won a Gold medal in the 100m Freestyle and a silver medal in the 4x100m Freestyle relay. During her stellar career, Dawn broke 27 World records, her 100m Freestyle record standing for 16years; she also won 6 Commonwealth Games Gold medals.

DALE KRIEG

Dale Krieg was considered to be the fastest junior in Australia at the age of 14 and at 15 she was selected to represent Australia at the 1960 Rome Olympics.

GREG BUSH

Greg Bush began his swimming career at the Ethelton Swimming Club. In 1973 at the Commonwealth Games trials in Sydney, Greg won a Gold medal in the 100m and 200m Breaststroke which gained him selection on the Australian Team. In 1974 Greg represented Australia at the Commonwealth Games in Auckland swimming the 100m and 200m Breaststroke.

DEBBIE PALMER

Debbie Palmer won her first ever National medal at the 1972 National Championships in the 200m Backstroke. This performance gained her selection at the 1972 Munich Olympic Games. At the games Debbie competed in four events including 4x100m Freestyle relay which set a new Commonwealth record.

GLENN BERINGEN

Glenn is a familiar face in South Australian Swimming. In 1982 Glenn Beringen was selected to represent Australia at the Brisbane Commonwealth Games where he won a Silver medal in the 200m Breaststroke. In the 1984 Los Angeles Olympic Games, he again won a Silver medal in the 200m Breaststroke.

**ANNA McVANN**

At the age of 14 Anna McVann swam her first National Championships and broke a National Age record for the 200m Freestyle event. In 1984 Anna McVann became the first female to win Gold medals in all Freestyle events at the Australian Championships. This effort saw her automatically selected for the 1984 Los Angeles Olympics at the Age of 15 where she was a finalist in all her events.

**MARTIN ROBERTS**

Martin Roberts represented South Australia at a National level for 19 years and an International level for 10. Martin represented Australia at two Olympic Games in 1988 in Seoul, Korea and 1992 in Barcelona, Spain. He also represented Australia at World Championships and Commonwealth Games. He also has the distinction of representing Australia at Olympic and Commonwealth Games in four different strokes. In 1990 at the Auckland Commonwealth Games, Martin became the first South Australian male to win an individual Gold medal winning the 200m Freestyle in the games record time.

**DANIEL KOWALSKI**

Daniel Kowalski began his swimming career at the age of 6. At the age of 16 he narrowly missed out on selection for the 1992 Olympic Team coming 3rd in the 1500m Freestyle. Daniel's outstanding achievements in the 1500m Freestyle will be remembered by all Australians in particular his battle for Gold against fellow Australian Kieran Perkins. Between them they dominated this event for many years.

**PHIL ROGERS**

Phil is without doubt our most recognised Olympian. Phil Rogers is considered one of the success stories of Australian Breaststroke swimming of the 1990s. At the age of 17, Phil moved to the AIS in Canberra where he set out to achieve his goal of swimming for Australia. Phil specialised in the 100m and 200m Breaststroke and held Australian records in both these events. In 1992 Phil was selected in the Barcelona Olympics where he won a Bronze medal in the 100m Breaststroke. In 1996 he competed at the Atlanta Olympic Games and again in 2000 in Sydney where at 29, he was the oldest member of the Australian Team.

**SARAH RYAN**

Sarah is as well known for her speed in the pool as she is for her colourful nails. Sarah Ryan represented Australia at three Olympic Games, 1996 in Atlanta, 2000 in Sydney and 2004 in Athens winning relay medals in all three Olympics. Sarah won numerous Commonwealth Games, Pan Pacific and World Championships medals making her one of Australia's most well-known sprint Freestyle female swimmers.

**RYAN MITCHELL**

Ryan Mitchell first represented Australia at the 1994 Commonwealth Games in Victoria, Canada where he finished 2nd in the 200m Breaststroke. In 1996 Ryan was selected to represent Australia at the Atlanta Olympics. After finishing 1st in the 200m Breaststroke at the Olympic Selection Trials, Ryan competed at the 2000 Sydney Olympics where he won a silver medal in the 4x100m Medley Relay. Ryan was a member of the Australian Swimming Team for 7 years and has represented Australia at Olympic Commonwealth and World Championships. On December 8th 2001 the Port Augusta Swimming Pool was opened and named the Ryan Mitchell Swim Centre in recognition of Port Augusta's first Olympic swimming representative.

**HELEN DENMAN**

Helen Denman made South Australia her home moving from Western Australia. In 1998 Helen won a Gold medal in 100m Breaststroke at the Kuala Lumpur Commonwealth Games in Malaysia. At the 1996 Atlanta Olympics Helen won a Silver medal in the 4x100m Medley relay finishing behind the Americans.

**MELISSA MORGAN**

Melissa Morgan began her swimming career at the Elizabeth Aquatic Club before moving to Burnside where she made her first Olympic Team representing Australia at the 2004 Athens Olympics in the 200m Backstroke.

FRANCES ADCOCK

Frances Adcock was born in England and moved to Adelaide where she began her swimming career at the Western Sharks Swimming Club. In 2002 she competed for Australia at the World Short Course Championships in the 100m Backstroke. In 2003 Fran moved to the AIS and in 2004 she was selected to represent Australia at the Athens Olympics in the 200m Backstroke.

SOPHIE EDINGTON

Sophie Edington started her swimming career at the Loxton Swimming Club. While swimming in Adelaide, Sophie set a number of South Australian records that still stand. In 2006 Sophie was selected to represent Australia at the Commonwealth Games in Melbourne where she won 3 Gold medals. She was also a member of the 4x100m Medley relay which broke a World record at the games.

MATTHEW COWDREY

Matthew Cowdrey has become an inspiration to all in South Australia. Matthew's achievements are too numerous to mention, having competed in Paralympic Games, Commonwealth Games and World Championships. Matthew has won numerous medals, and setting World and Australian records. Matthew represented Australia at the Beijing Paralympic Games and the 2011 World Championships. Matt was also selected to represent Australia at the 2012 London Paralympics where he had an outstanding meet, winning 5 gold medals, 2 silver and a bronze.

LYN LILLECRAPP

Making her first Australian Open team in 1974, Lyn competed at the World Wheelchair Games in England. This would be her first of four selections for the World Wheelchair Games. In 1976 Lyn was selected to represent Australia at her first Paralympic Games in Toronto, Canada. She made her second Paralympic Games team in 1988 in Seoul where she brought home 1 silver medal in the 50m Breaststroke and 3 bronze medals in the 50m Backstroke and Freestyle and the 25m Butterfly. Her final competition was the Paralympic Games in Barcelona where she made finals in the 100m Backstroke and Breaststroke and 50m Butterfly.

SHELLEY ROGERS

Shelley Rogers was selected for the 2008 Paralympics in Beijing for three events. She placed fourth in the 200m Individual Medley in a time of 3.12.68, fifth in the 100m Backstroke swimming a time of 1.30.26 and sixth in the 50m Butterfly in 40.02. Shelley won her first international medal during the 2006 IPC World Championships in Durban. Shelly also swam a personal best time to win the silver medal in the 200m individual medley. She also claimed fourth place in the 50m Butterfly and fifth in the 100m Backstroke.

CAROLINE SOUTH

Caroline was selected for the 800m Freestyle for the Commonwealth Games in 2006 where she placed seventh in the final of the Melbourne event. In 2005 Caroline represented Australia at the Junior Pan Pacific Championships in Hawaii where she won a bronze medal in the 1500m Freestyle.

HAYDEN STOECKEL

At the 2008 Telstra Australian Swimming Championships Hayden qualified for his first Olympic Team, by swimming the 100m Backstroke in a time of 53.86 seconds. At the same meet, Hayden broke the men's 200m Backstroke Commonwealth Games record. Hayden's career highlights were seen at the 2008 Olympic Games in Beijing where he won a silver medal in the 4x100m Medley Relay and a Bronze in the 100m Backstroke and 6th in the 200m Backstroke setting Commonwealth records in both his individual events. Hayden was also selected to represent Australia at the 2012 London Olympics where he won a bronze medal in the 4x100m Medley Relay and placed 7th in the final of the 100m Backstroke.

JAY DOHNT

Jay's career highlights include making his first Australian Open team at the 2008 Olympic trials where he qualified for the 100m and 400m Freestyle, the 200m Individual Medley and the 100m Backstroke. After attending two National Grand prix meets and a staging camp in Malaysia he went on to win bronze at the 2008 Paralympics in Beijing in the s7 400m Freestyle. Along with his bronze medal, Jay also achieved best times in the 200m Individual Medley and 100m Freestyle. In 2007 he broke the Australian Record for the 100m Backstroke at the Queensland State Championships. Jay was also selected to be a part of the Australian Swimming Team for the 2012 London Paralympics where he won a bronze medal in the 400m Freestyle.

ESTHER OVERTON

Esther made her Paralympic debut in 2008 at the Beijing Paralympics. Despite the many setbacks she had prior to the games, Esther competed in both the 50m Backstroke S3, placing 5th, and 50m Freestyle S3, placing 6th. In 2010 at the IPC World Championships she swam in three events. At the 2011 Para Pacific Championships in Canada, Esther achieved a bronze medal in the 50m Backstroke S3. In what was to be her final Paralympic Games Esther placed 5th in the 50m Backstroke S2 in London.

SALLY HUNTER

Australian breaststroke swimmer. She won the silver medal in the 200-metre breaststroke event at the 2008 FINA Short Course World Championships. She competed in the 200-metre breaststroke at the 2008 Summer Olympics in Beijing and at the 2012 Summer Olympics in London, reaching the final in 2012. She won the silver medal in the 200 m breaststroke at the 2014 Glasgow Commonwealth Games, and was a member of Australia's gold-medal-winning 4×100-medley medley relay team.

DEVELOPMENT REPORT

The 2015-2016 season was a very productive and successful one for our organisation and the development sector. The season has seen some fantastic results with a number of South Australian clubs and swimmers performing on both a National and International stage to the highest of Standards. There is no higher stage in our sport than that of the Olympics/Paralympics and this year we were fortunate to have 2 athletes represent Australia in both Competitions. I would like to take this opportunity to congratulate Kyle Chalmers and Josh Palmer on their selection to represent Australia at the Olympic Games and Liam Bekric and Jessie Aungles on being selected to represent Australia at the Paralympic Games.

While all four athletes represented South Australia with pride I must make special mention of Kyle's achievement of winning the gold in the Men's 100 Meter Freestyle event. This achievement is the first individual Gold medal winning performance by a South Australian ever and was one of only 2 individual gold medals won by Australia in the pool in Rio.

Internationally South Australia also placed swimmers on to the Australian Team for the Oceania Championships with Abby Duncan and Tom Wotton Being selected.

Domestically the highlight was the team of 27 that South Australia sent to the State Teams Short Course Championship. This year's team achieved a number of Top 3 finishes with the team narrowly missing 4th spot overall. A great result for our state with the South Australian team significantly smaller than those states above us on the point score.

This year also saw the development of a new Swimming SA Country Development Camp, running over 4 days at Immanuel College in December. This exciting camp saw 30 of our best regional based swimmers from all over our state meet to learn new skills and techniques and benefit from an intensive training program leading into the summer season.

I would like to thank all coaches, support staff and volunteers that have given up their time to help deliver all the activities offered to our development swimmers this year. Without the help of you all we would not be able to provide such opportunities for our members.

TECHNICAL COMMITTEE REPORT - 2016

Since the last AGM of SwimmingSA the Technical Committee has met nine times in 2015-16 so we have had a very busy year again. With both the Australian Age Championships and the Australian Open Championships (serving as the Olympic selection trials) being held in Adelaide earlier this year, it was an opportunity for quite a number of South Australian accredited Technical Officials to participate as Officials. This was a wonderful experience for all involved, particularly for Lorraine Burford and Gloria Owens who were appointed Referee and Starter respectively as part of the roster for National Age. For the many volunteer officials who have been involved in our meets but who are not yet accredited, perhaps the time is right for you to take that next step to become accredited and build up your experience ready to nominate for future National Australian Championships.

There have been minor changes to the South Australian Swimming Rules and the Event By-Laws and the updated versions are now on the web from the home page under *About Us/Governing Documents*. The Review of the OWS Rules and By-Laws has been completed with the addition of more specific Standards for Entry to Championship OWS events for the various distances. This brings us into line with the type of standards set by SAL and some other states. The standards are not expected to have any impact on those swimmers who would be contemplating an OWS event but they are intended to cover the risk of inadequate preparation by any entrant. OWS Rules and By-Laws are also on the web at the same site.

The use of the Backstroke ledges and the protocol for Officials have also been redefined in line with SAL processes. They will still be available at State Championships and meets immediately prior to National Championships with some ledges being available during warm-up on these occasions. The details are to be found in EBL 38. Swimmers will now be able to adjust the height of the ledge themselves but may ask the Official to adjust it for them.

In the redevelopment of the SSA web pages we are in the process of reviewing documentation for Technical Officials to be found from the home page under *Volunteers-Officials/Resources*. The headings indicate the extent of the planned resources although not all are currently placed there. There will be both Duties and Protocols for the varying pool deck positions in place soon. The Technical Committee would encourage all volunteers to read their relevant notes prior to the meet to help them in performing their role in a professional manner.

SAL has finally released the updated Learning Guides for all Technical Official positions including Meet Manager Operator. They are now more relevant to some of the roles and in particular for Inspectors of Turns, Judges of Stroke and Referees. In South Australia we have been using our own version of these Guides which have contained additional relevant questions to be answered. Some other states had taken similar action to South

Australia. The SAL versions have now become more informative in terms of the position. A new set of questions have now been introduced as an intermediate requirement between the basic theory session and the practical assessment. Apart from the timing of the questions, South Australian officials will not find the requirements any different from what has been experienced in the past.

We continue to be happy with the progress of new Technical Officials resulting from the Board's Mandating Policy, although we would like to see more seeking full accreditation as they gain sufficient pool deck experience both at SAALC and at Club Open Carnivals. However, the basic theory session is still a prime requirement and we cannot stress how important it is for clubs to organise a session for their own volunteers. It will provide enormous benefit to your volunteers and as a result to club swimmers. Find a suitable date and ask SwimmingSA for an accredited Trainer/Presenter to come out and run a course. Those fully accredited officials who are selected to attend workshops and to officiate at the State Teams Championships at the AIS in Canberra each year find the weekend extremely helpful.

We have continued to run Referee Seminars during the year which the Referees find very useful. It gives us the opportunity to all meet together to discuss various aspects of policy and rule interpretations so that we are all making similar decisions to similar problems which arise. We have recently received an updated list of all Multi-Class swimmers showing new members and some reclassification of existing swimmers. Unlike the Paralympics where all swimmers in an event have the same classification, our swimmers are of multiple classifications and so they compete against the world record for their classification so it is not always the first past the post who is the winner of the event.

The SAL Technical Swimming Committee has been restructured and is communicating with the states much better and more frequently than we have experienced in the past. An initiative this year is to meet with representatives from all State Technical Committees together and I have had the opportunity to participate in this joint meeting during the State Teams weekend to share ideas between States. The meeting was very well received by all attendees and the exchange of ideas was stimulating. The SA Technical Committee will be considering some ideas, especially in relation to recruitment and retention of Officials, over the coming year. Future meetings are recommended to be at least annually and communications from SAL more formally distributed.

I would like to thank sincerely those members of the Technical Committee for their valued input during the year – Phil Bowen, Darren McLachlan, Trevor Kenyon, Heather Carbone and Selma Barlow as well as our Staff Liaison Persons, Tania Carlino and Wade Meaney who have shared the role. Everyone has put in a great effort.

COUNTRY COMMITTEE REPORT - 2016

What a fantastic year for Swimming with Port Lincoln's own Kyle Chalmers showing the world that country South Australia has the goods. I'm sure I can say for all how proud we are of Kyle, well done your hard work has paid off at the highest level. South Australia continues to show the world that there is talent in country South Australia.

It has been a positive year with our newly appointed committee and have had great representation from the districts and I thank each committee member for their input throughout the season. The district representatives are the voice of Country Swimming. I also thank the staff particularly Daniel Lawlor (Club Development Officer) for the continued work with Country clubs traveling to the regions touching base with clubs during the course of the year listening and supporting country swimming.

A big thank you Loxton for hosting the 2016 Country Championships your efforts are greatly appreciated, making the event a success. Congratulations Onkaparinga Swimming Club who yet again won the Country Championships with a point score of 1949, West Coast Swimming Club coming second with point score of 1579. It was another excellent demonstration of our country ties showing skills, community spirit and passion for our sport.

On the national level, we have some Country Swimmers who have performed exceptionally well, congratulations to Jade Caverley making Olympic Trials (10th in her 50m Breaststroke MC). Jade is a member of West Coast and many of you would know her, her beautiful smile is hard to miss.

Those who went to Age Championships: Jade Caverley; Abbey Cummings; Laura Cummings and Ellie McInerney. Congratulations to all who attended.

Congratulations to those swimmers who broke records, won medals and achieved PB's well done.

I look forward to another exciting and positive year of swimming with the 2017 Country Championships to be hosted by Vitor Renmark Swimming Club and we look forward to supporting the Riverland for our biggest Country event.

COMPETITIONS COMMITTEE REPORT 2015/16

The 2015/16 Competitions Committee has been hard at work over the past twelve months analysing the current competition structure, identifying positives and negatives and working together to launch the new South Australian Competition Structure in conjunction with the Events Team.

The 2016 South Australian LC State Championships (a merger of the previously separated Age and Open Championships) was very well received. As a result of positive feedback, the Committee has decided to keep this format moving forward. The SC Championships will remain combined.

During the 2015/16 season the committee trialed a new JX concept to be held at an outdoor venue away from the SA Aquatic and Leisure Centre to appeal to a new demographic of younger swimmers and families. This was held at the Unley Swimming Centre with the assistance from the Unley Swimming Club. This event was held as a twilight carnival and was well received. A SC version of the trial was planned however unable to be delivered due to venue availability. The SC trial will be reintroduced in future. As a result of this pilot, SwimmingSA is inviting selected clubs and venues to tender for a junior competition within the 2016/17 season.

After conducting surveys with several stakeholders within the SwimmingSA community, the Competitions Committee launched the new South Australian Competition Structure which takes effect October 1 2016.

The new structure takes the format of four strands (introductory, participation, development and performance). These strands are clearly defined and allow clubs and their members to clearly identify where they are on the pathway and where competition can take them.

As part of the new structure, the Committee and the Events Team have worked to launch two new competition brands, these being the Junior League and Development Meets. These competitions sit within the Development strand.

The Junior League replaces the former JX Series competitions to allow the Junior Excellence Program to stand alone as a national rewards and recognition program. The aim of introducing this brand is to increase participation from South Australia's younger swimmers and put the fun back into competition. As the Junior League evolves, changes will be made to the event to make it more friendly and inviting for young swimmers such as fun competitions, giveaways and more.

Development Meets will change the way swimmers compete. Instead of receiving the customary place-getting points, every swimmer receives a point for just diving in, and additional improvement points depending on how well they improve on their seed time. The aim of these competitions is to reward and encourage swimmers who improve, not just place.

The success of the “All-In’ competitions have encouraged us to offer them again in 2016-17. They will continue to be held as the first meet of the SC or LC season and allow swimmers to enter events without qualifying times. The benefit of these competitions has been seen by families allowing them to attend once rather than a whole weekend of different competitions.

As a result of feedback received by the Competitions Committee, South Australian Rankings have been launched to the SwimmingSA community. The 2016 SC rankings are available for viewing on the SwimmingSA website. Certificates will be issued to those who have ranked within the top ten of each age and stroke. We will soon be announcing the top swimmers in each age group per event for each of the seasons.

Thank you to the members of this committee – Ynez Grimes, Trevor Kenyon, Harry Scherwitzel, Francesca Wakeham, and staff representatives Cory Bampton and Wade Meaney.
