CONTENTS

WELCOME FROM THE CEO

Let me first congratulate you on getting through a year full of challenges and balancing uncertainty. All the more reason to feel proud of your accomplishments and applaud your adaptability and perseverance.

we're excited to start fresh in 2021/22 and remain positive the season ahead will (hopefully!) feel relatively "normal".

Celebrating Australia's performance at 2021 Tokyo Olympic and Paralympic Games provides an opportunity to celebrate the success of our athletes and engage the South Australian community.

The SwimmingSA board and staff will continue to support clubs and its members re-engaging with the sport by providing, assistance, resources, information and training.

SA clubs also have an important role to play ensuring that our sport is not only relevant in an ever-changing society, but just as importantly to provide a fun, safe and nurturing environment for our coaches, officials, parents, volunteers and of course, our swimmers.

I wish you all the very best for the season ahead and look forward to working with our clubs as we strive towards growth in our sport. We are in this together and together we can ensure that Swimming is part of what it means to be a South Australian.
