Finding the Meet

- 1. From your dashboard home screen, select **Entity Management** from in the left-hand navigation panel.
- 2. Enter your entity PIN and select the correct club/district *for which relay teams are being created and entered*.

3. Select **Events** and find the meet you are looking to enter teams to compete.

Locating a Relay Event

- Once you have found the meet you are looking to enter relays for, select Event Home
- Under the Races Tab Turn on the toggle for Relays Only to view only the sessions with relay races available for entry. View the session event list by <u>clicking on the session</u> <u>detail</u>.

Entering a Freestyle Relay Team

- 6. Select the relay event you want to enter, click on Team +
- 7. The system will automatically show your 4 fastest qualifying swimmers from fastest to slowest on the right screen indicated by a star next to their time. Add Team Nomination
- 8. To add a swimmer to your team, click on the swimmer's name once. The padlock will appear if the swimmer is already listed for another team in the same event.
- 9. To delete a swimmer from your team, select the bin icon
- 10. The **arrow keys** allow the user to move a swimmer up to or down to the next leg.
- 11. Confirm the **Export** toggle is on. This is required to export your team including the reserves to Meet Manager.
- 12. The minimum participants required for each Team Export. You will not be able to select 'Nominate' if you do not meet the minimum required number of participants for that event. Recalculate - clears the swimmers in the nominee screen and populates the 4 fastest available and verified swimmers
