Click on the 'Swimmer' to view the entries

The screenshot displays a web application interface with two main sections: 'Event Attendees' and 'Race Nominations'. At the top, there are navigation tabs for 'Rac.', 'Pos.', 'Req.', 'Att.', and 'Tix.'. Below these, the 'Event Attendees' section features a search bar and an 'Export Nominees' button. A table lists attendees with columns for 'Participant', 'Visitor', 'Status', and 'Actions'. The first row is highlighted in blue and shows 'Freya Cartledge' with 'BARO' as the visitor, a green checkmark status, and a lock icon. The second row shows 'Noah Ralph' with 'BARO' as the visitor, a green checkmark status, and a lock icon. Below the table is a pagination control showing 'Items per page: 10' and '1 - 2 of 2'. The 'Race Nominations' section has a table with columns for 'Race', 'Status', and 'Details'. It lists four races: '1-2C Womens 50M Breast FnI', '1-5C Womens 50M Free FnI', '1-10C Womens 50M Back FnI', and '1-11C Womens 100M Free FnI'. Each row includes a status icon (a green checkmark with a swimmer) and a details icon (a list icon). A pagination control at the bottom shows 'Items per page: 10' and '1 - 4 of 4'.
