

Open Carnivals are a great opportunity to “dip your toe” into officiating.

Referees are appointed to each Open Carnival by SwimmingSA, however host clubs are always looking for volunteers to assist on the day.

Open Carnivals offer a variety of roles, some of which are not available at meets held at SAALC like:

- Recording (some carnivals conduct handicap events)
- Starting (many clubs use the Dolphin Timing System)
- Chief Time Keeper

Helping at an Open Carnival is a great way to put any prior learning into practice in a more relaxed environment where the opportunity to learn and ask questions is available.

If you would like to help at a Carnival, please contact the host club.

Contact details can be found in the SwimmingSA Handbook of Events
