

APPLICATION TO PURCHASE AN UNALLOCATED LANE

All vacant lanes in the printed program at SwimmingSA meets (excluding Championships) will be available for sale at the team managers meeting prior to the beginning of each session. No additional heats will be created to accommodate lane sales on the day (if multiple swimmers are seeking the same lane names will be drawn from a hat). Only Club team managers can apply for a vacant lane for one of their club members. Club team managers must submit this form to the nominated SwimmingSA official at the Team Managers meeting. No payments will be received on the day.

The cost of a lane is \$23.60/lane and SwimmingSA will invoice your Club for the lanes that you have been successfully allocated.

Please note: a separate form must be completed for each lane being requested
