

CONSENT FORM FOR PARTICIPATION IN RESEARCH (Interview)

What makes a successful parent and coach relationship in youth sport?

Ibeing over the age of 18 years hereby consent to participate as requested in the interview for the research project with the title listed above.

1. I have read the information provided.
2. Details of procedures and any risks have been explained to my satisfaction.
3. I agree to audio recording of my information and participation and understand that audio recording is for audio data collection only, used for transcription purposes.
4. I am aware that I should retain a copy of the Information Sheet and Consent Form for future reference.
5. I understand that:
 - a) I may not directly benefit from taking part in this research.
 - b) Participation is entirely voluntary and I am free to withdraw from the project at any time; and can decline to answer particular questions.
 - c) While the information gained in this study will be confidential and published as explained, on the basis that the interview will be undertaken in my place of employment, anonymity cannot be guaranteed.
 - d) I may ask that the audio recording be stopped at any time, and that I may withdraw at any time from the session or the research without disadvantage.
 - e) Even though information provided will be treated with the strictest confidence by the researcher, as the researcher is a mandated reporter, disclosure of illegal activities will need to be reported by the researcher to the relevant authorities
6. I understand that only the researcher on this project will have access to my research data and raw results; unless I explicitly provide consent for it to be shared with other parties.

Participant's name.....

Participant's signature.....**Date**.....

I certify that I have explained the study to the volunteer and consider that she/he understands what is involved and freely consents to participation.

Researcher's name DR SAMUEL ELLIOTT

Researcher's signature.....**Date**.....

This research project has been approved by the Flinders University Social and Behavioural Research Ethics Committee in South Australia (Project number 8397).
